**Bodega Dreams** Ernesto Quiñonez 2015-01-21 In this "thriller with literary merit" (Time Out New York), a stunning narrative combines the gritty rhythms of Junot Díaz with the noir genius of Walter Mosley. *Bodega Dreams* pulls us into Spanish Harlem, where the word is out: Willie Bodega is king. Need college tuition for your daughter? Start-up funds for your fruit stand? Bodega can help. He gives everyone a leg up, in exchange only for loyalty—and a steady income from the drugs he pushes. Lyrical, inspired, and darkly funny, this powerful debut novel brilliantly evokes the trial of Chino, a smart, promising young man to whom Bodega turns for a favor. Chino is drawn to Bodega's street-smart idealism, but soon finds himself over his head, navigating an underworld of switchblade tempers, turncoat morality, and murder. "Bodega is a fascinating character. . . . The story [Quiñonez] tells has energy and verve." —The New York Times Book Review

**The Other Americans** Laila Lalami 2019-03-26 \*\*\*2019 NATIONAL BOOK AWARD FINALIST\*\*\* Winner of the Arab American Book Award in Fiction Finalist for the Kirkus Prize in Fiction Finalist for the California Book Award Longlisted for the Aspen Words Literary Prize A Los Angeles Times bestseller Named a Best Book of the Year by The Washington Post, Time, NPR, Minneapolis Star Tribune, Dallas Morning News, The Guardian, Variety, and Kirkus Reviews Late one spring night in California, Driss Guerraoui—father, husband, business owner, Moroccan immigrant—is hit and killed by a speeding car. The aftermath of his death brings together a diverse cast of characters: Guerraoui's daughter Nora, a jazz composer returning to the small town in the Mojave she thought she'd left for good; her mother, Maryam, who still pines for her life in the old country; Efraín, an undocumented witness whose fear of deportation prevents him from coming forward; Jeremy, an old friend of Nora's and an Iraqi War veteran; Coleman, a detective who is slowly discovering her son's secrets; Anderson, a neighbor trying to reconnect with his family; and the murdered man himself. As the characters—deeply divided by race, religion, and class—tell their stories, each in their own voice, connections among them emerge. Driss's family confronts its secrets, a town faces its hypocrisies, and love—messy and unpredictable—is born. Timely, riveting, and unforgettable, *The Other Americans* is at once a family saga, a murder mystery, and a love story informed by the treacherous fault lines of American culture.

**Chango's Fire** Ernesto Quinonez 2010-10-12 In New York City's Spanish Harlem, Julio and Maritza are each searching for a path that will give their lives meaning, even if it's shadowed by controversy. Julio is an arsonist for hire, pocketing thousands of dollars from investors eager to capitalize on more expensive real estate. But when he has reason to stop setting his neighborhood ablaze and vows to change his ways, Julio's employers threaten his life -- and the lives of those close to him. Maritza, meanwhile, has become the pastor of a progressive Pentecostal church -- the perfect cover for the scam she's running. For the right price, she'll make anyone an American citizen. With a cast of characters as colorful as the city itself, Ernesto Quiñonez brings to life a landscape we can all recognize.

**Outlaw: The Collected Works of Miguel Piñero** Miguel Piñero 2005-07-02 ñA thief, a junkie I've been / committed every known sin, ñ Miguel Pinero sings in ñA Lower East Side Poem. ñ Part observer, part participant in the turbulent goings-on in his Nuyorican barrio, Miguel Piñero blasted onto the literary scene and made waves in the artistic current with his dramatic interpretations of the world around him through experimental poetry, prose, and plays. Portrayed by actor Benjamin Bratt in the 2001 feature film ñPiñero, ñ the poet's works are as rough and gritty as the New York City underworld he wrote about and loved. ñSo here I am, look at me / I stand proud as you can see / pleased to be from the Lower East / a street fighting man / a problem of this land / I am the Philosopher of the Criminal Mind / a dweller of prison time / a cancer of Rockefeller's ghettocide / this concrete tomb is my home. ñ His depictions of pimp bars, drug addiction, petty crime, prison culture and outlaw life all drawn from first-hand experience astound the faint-hearted, as Piñero poetizes an outlaw vernacular meant to shock proper, bourgeois culture. This long-awaited collection includes previously published and never-before-published poems; ten plays, including ñShort Eyes, ñ which was later made into a film and won the 1973-1974 New York Drama Critics' Circle Award for Best American Play, ñThe Sun Always Shines for the Cool, ñ and ñEulogy for a Small Time Thief. ñ A co-founder of the Nuyorican Poets' Cafe, Piñero died at the age of 41, leaving behind a compelling legacy of poetry and plays that reveal the harsh, impoverished lives of his urban Puerto Rican community.

**Graffiti Girl** Kelly Parra 2007-05-15 Graffiti art. It's bold. It's thrilling. And it can get a girl into serious trouble.... Raised by her single mom (who's always dating the wrong kind of man) in a struggling California neighborhood, Angel Rodriguez is a headstrong, independent young woman who channels her hopes and dreams for the future into her painting. But when her entry for a community mural doesn't rate, she's heartbroken. Even with winning artist Nathan Ramos—a senior track star

and Angel's secret crush—taking a sudden interest in Angel and her art, she's angry and hurt. She's determined to find her own place in the art world, her own way. That's when Miguel Badalin—from the notorious graffiti crew Reyes Del Norte—opens her eyes to an underground world of graf tags and turf wars. She's blown away by this bad boy's fantastic work and finds herself drawn to his dangerous charm. Soon she's running with Miguel's crew, pushing her skills to the limit and beginning to emerge as the artist she always dreamed she could be. But Nathan and Miguel are bitter enemies with a shared past, and choosing between them and their wildly different approaches to life and art means that Angel must decide what matters most before the artist inside of her can truly break free.

This is how You Lose Her Junot Díaz 2013 Presents a collection of stories that explores the heartbreak and radiance of love as it is shaped by passion, betrayal, and the echoes of intimacy.

*Soledad* Angie Cruz 2001-09-09 Tía Gorda has always claimed Soledad was born con la pata caliente -- with feet burning to be anywhere but here. In truth, Soledad couldn't wait to get beyond the stifling confines of West 164th Street, away from her superstitious, contentious family with their endless tragedies and petty fights; from the leering men with their potbellies, the slick-skinned teen girls with their raunchy mouths and snapping gum. At eighteen, Soledad couldn't get away from the volume and the violence of the barrio some call Dominican Heights fast enough. Two years later, an art student at Cooper Union with a gallery job and a hip East Village walk-up, Soledad feels eminently cool and infinitely far from the neighborhood where she grew up. But when Gorda calls with the news that Olivia, Soledad's mother, has lapsed into an emotional coma, Soledad knows she hasn't escaped la familia. Gorda insists Soledad's return is the only thing that will cure Olivia. Fighting the memories of the life she's left -- the broken hydrants on littered corners, her jealous cousin Flaca, her bizarre mother and, curiously, images of her mother's Dominican youth -- Soledad returns home to Washington Heights. Her journey has only begun. As Soledad tries to salvage her damaged relationship with Olivia, tame Flaca's raucous behavior, tolerate her zany Tía Gorda and resist falling for Richie, a soulful, intense man from the neighborhood, she also faces the greatest challenge of her life: confronting the ghosts from her mother's past. Rich, evocative and wise, Soledad is a wondrous story of culture and chaos, of family and integrity, myth and mysticism. Angie Cruz is a dazzling new voice, a Latina literary light whose passionate debut in Soledad surely marks the beginning of a remarkable career.

*Survival Supervivencia* Miguel Algarin 2009-03-31 "Don't believe the deadly game," Miguel Algarin warns the elderly black Puerto Rican sitting in a park in Old San Juan, "of Northern cities paved with gold and plenty / don't believe the fetching dream / of life improvement in New York / the only thing you'll find in Boston / is a soft leather shoe up your ass." In this affecting collection of poetry and prose, Nuyorican poet Miguel Algarin crafts beautifully angry, sad pieces about injustice and loss. While warning his compatriots about the unreality of the American Dream, he acknowledges that "we are the pistons that / move the roughage through Uncle / Sam's intestines, we keep the flow / of New York happening / we are its muscles." Algarin's poems covering his long career give voice to the disenfranchised—the junkie, the HIV-inflicted, the poverty-stricken—and survival is a recurring theme. In the essay "Nuyorican Language," which was originally published in 1975, he argues that for the New York Puerto Rican, there are three survival possibilities: to work hard for little money all your life and remain in eternal debt; to live life by taking risks of all types, including killing, cheating and stealing; and to create alternative behavioral habits. The Nuyorican poet, he says, must create a new language, "a new day needs a new language or else the day becomes a repetition of yesterday." While many of the poems focus on the Puerto Rican experience in New York, others touch on universal experiences such as the death of friends and the ephemeral nature of life. "So what if you're dead, / I'm here, you're gone, / and I'm left alone / to watch how time betrays, / and we die slow / so very slow." And he turns his sharp gaze on events around the world, including the fights between England and Argentina for the Falkland Islands, Israel and Palestine for the Holy Land. With an introduction by Ernesto Quiñonez, author of the acclaimed novel *Bodega Dreams*, this collection takes the reader through an intimate, autobiographical journey of one of the country's leading Nuyorican writers and intellectuals.

*How Languages Changed My Life* Project MEITS 2019-12-12 *How Languages Changed My Life* is a collection of stories exploring the importance of languages in shaping the lives of individuals and communities around the world. It brings together writers and musicians, politicians and activists, teachers, students, scientists, comedians, and sportspeople whose experiences are both unique and exemplary. The first-person voices are conversational, intimate and uplifting, but also often very funny and deeply moving. This book is for anyone who loves real-life stories; is interested in languages, culture, and adventure; and believes in global citizenship. It embraces more than forty different languages and offers a kaleidoscope of individual views that collectively make the case for linguistic diversity being as essential to our survival as biodiversity. Irrespective of age and background, whether as first-time learners or professional polyglots, all our storytellers testify to how languages have inspired and empowered them. *How Languages Changed My Life* is a book for our times, reminding us that what we have in common is always greater than our differences.

*You Must Fight Them* Maceo Montoya 2015-09-15 In the novella *You Must Fight Them*, a short, bookish half-Mexican doctoral student returns to his hometown of Woodland, California, and tries to reconnect with Lupita Valdez, the girl he worshipped in high school. But in order to date Lupita, he must first fight her three hulking brothers. Attempting to make sense of his unusual predicament, he ruminates on his many insecurities—his definition of manhood and the ambiguities of his mixed-race identity. In this collection we meet characters navigating the difficult situations that arise when different worlds collide, from a professor teaching a course on Latino gangs who makes the unwise decision to invite two former rival gang members as guest lecturers, to an artist threatened by the twin sons of his poor white neighbor. Though this memorable cast of characters faces unique quandaries—and deals with these problems in questionable ways—their stories are driven by a desire to set the record straight.

*San Juan Noir* Mayra Santos-Febres 2016-10-04 "Santos-Febres and 13 other contributors of Puerto Rican heritage take full advantage of San Juan's wide range of disparities between rich and poor, weak and powerful, tourists and residents, in this fine addition to Akashic's noir anthology series." --Publishers Weekly "A welcomed addition to the publisher's popular noir series, *San Juan Noir* has the distinction of being issued in two editions, English and Spanish, to more accurately reflect the Caribbean island's bilingual culture. Editor Santos-Febres gathers a varied collection of stories she expects will 'reveal a side of Puerto Rico otherwise obscured by the tourist trade and preconception.'" --NBC News Latino "The stories within *San Juan Noir* stare right into the face of colonialism as they examine the gaps between the city's rich and its poor, its residents and its constant flow of tourists, its colorful exterior and its gritty underbelly. This is noir with a bite, noir that entralls

with its dark tales even as it challenges the reader--do better, do better, do better." --Literary Hub "From the interiors of sleazy bars or chic resort hotels, shabby apartments and in open streets and avenues with no escape, the tales of San Juan Noir trace the doomed routes of their victims and villains with an acute social and tragic awareness. These journeys keep the reader transfixed and understanding this Caribbean city in entirely new ways." --Insights Akashic Books continues its groundbreaking series of original noir anthologies, launched in 2004 with Brooklyn Noir. Each story is set in a distinct neighborhood or location within the city of the book. Brand-new stories by: Wilfredo J. Burgos Matos, Ernesto Quiñonez, Mayra Santos-Febres, José Rabelo, Luis Negrón, Yolanda Arroyo Pizarro, Ana María Fuster Lavín, Janette Becerra, Manolo Núñez Negrón, Tere Dávila, Edmaris Carazo, Alejandro Álvarez Nieves, Charlie Vázquez, and Manuel A. Meléndez. Translated by Will Vanderhyden. From the introduction by Mayra Santos-Febres: "Puerto Rico is often portrayed as sandy beaches, casinos, luxury hotels, relaxation, and never-ending pleasure--a place that satisfies all senses and appetites. Yet the city of San Juan is much more than that. The capital of the Commonwealth of Puerto Rico is the oldest Spanish settlement in all the territories and colonies of the United States. Since Puerto Rico is economically dependent on the US, the financial downturn of 2008 hit us hard. Many Puerto Ricans have left the island, looking for a better life. Crime has risen and the black market has thrived. As in many crises, art, music, and literature have also flourished. Never before has there been so much literary production. We have responded to our crisis with many stories to tell. And, especially in these times, many of those stories are noir... I hope these stories spark your imagination, and reveal a side of Puerto Rico otherwise obscured by the tourist trade and preconceptions. Maybe it will also pique your curiosity, and you will come visit our 'pearl of the Caribbean.'"

Dialectical Imaginaries Marcial Gonzalez 2018-11-05 "Dialectical Imaginaries brings together essays that analyze the effects of class conflict and capitalist ideology on contemporary works of U.S. Latino/a literature. The editors argue that recent global events have compelled contemporary scholars to reexamine traditional interpretive models that center on identity politics and an ethics of multiculturalism. The volume seeks to demonstrate that materialist methodologies have a greater critical reach than other methods, and that Latino/a literary criticism should be more attuned to interpretive approaches that draw on Marxism and other globalizing social theories. The contributors analyze a wide range of literary works in fiction, poetry, drama, and memoir by writers including Rudolfo Anaya, Gloria Anzaldúa, Daniel Borzutzky, Angie Cruz, Sergio de la Pava, Mónica de la Torre, Sergio Elizondo, Juan Felipe Herrera, Rolando Hinojosa, Quiara Alegría Hudes, Lin-Manuel Miranda, Óscar Martínez, Cherrie Moraga, Urayoán Noel, Emma Pérez, Pedro Pietri, Miguel Piñero, Ernesto Quiñonez, Ronald Ruiz, Hector Tobar, Rodrigo Toscano, Alfredo Véa, Helena María Viamontes, and others" --

Finding Latinx Paola Ramos 2020-10-20 Latinos across the United States are redefining identities, pushing boundaries, and awakening politically in powerful and surprising ways. Many—Afrolatino, indigenous, Muslim, queer and undocumented, living in large cities and small towns—are voices who have been chronically overlooked in how the diverse population of almost sixty million Latinos in the U.S. has been represented. No longer. In this empowering cross-country travelogue, journalist and activist Paola Ramos embarks on a journey to find the communities of people defining the controversial term, "Latinx." She introduces us to the indigenous Oaxacans who rebuilt the main street in a post-industrial town in upstate New York, the "Las Poderosas" who fight for reproductive rights in Texas, the musicians in Milwaukee whose beats reassure others of their belonging, as well as drag queens, environmental activists, farmworkers, and the migrants detained at our border. Drawing on intensive field research as well as her own personal story, Ramos chronicles how "Latinx" has given rise to a sense of collectivity and solidarity among Latinos unseen in this country for decades. A vital and inspiring work of reportage, Finding Latinx calls on all of us to expand our understanding of what it means to be Latino and what it means to be American. The first step towards change, writes Ramos, is for us to recognize who we are.

When I Was Puerto Rican Esmeralda Santiago 2006-02-28 Esmeralda Santiago's story begins in rural Puerto Rico, where her childhood was full of both tenderness and domestic strife, tropical sounds and sights as well as poverty. Growing up, she learned the proper way to eat a guava, the sound of tree frogs in the mango groves at night, the taste of the delectable sausage called morcilla, and the formula for ushering a dead baby's soul to heaven. As she enters school we see the clash, both hilarious and fierce, of Puerto Rican and Yankee culture. When her mother, Mami, a force of nature, takes off to New York with her seven, soon to be eleven children, Esmeralda, the oldest, must learn new rules, a new language, and eventually take on a new identity. In this first volume of her much-praised, bestselling trilogy, Santiago brilliantly recreates the idyllic landscape and tumultuous family life of her earliest years and her tremendous journey from the barrio to Brooklyn, from translating for her mother at the welfare office to high honors at Harvard.

Bodega Dreams Ernesto Quinonez 2009-07-01 A novel for secondary school English classes with great writing and important themes.

Confessions of a Berlitz-Tape Chicana Demetria Martínez 2017-06-20 "We're everywhere, and it's time to come out of the closet: I speak of the tongue-tied generation, buyers of books with titles like Master Spanish in Ten Minutes a Day while You Nap. . . . We grew up listening to the language—usually in the kitchens of extended family—but we answered back mostly in English." Demetria Martínez wields her trademark blend of humor and irony to give voice to her own "tongue-tied generation" in this notable series of essays, revealing her deeply personal views of the world. Martínez breaks down the barriers between prayer and action, between the border denizen and the citizen of the world, and between patriarchal religion and the Divine Mother. She explores her identity as a woman who has within her the "blood of the conquered and the conqueror," and who must daily contend with yet a third world—white America.

Skate Michael Harmon 2008-02-12 There's not much keeping Ian McDermott in Spokane, but at least it's home. He's been

raising Sammy practically on his own ever since their mom disappeared again on one of her binges. They get by, finding just enough to eat and plenty of time to skateboard. But at Morrison High, Ian is getting the distinct, chilling feeling that the administration wants him and his board and his punked hair gone. Simply gone. And when his temper finally blows—he actually takes a swing at Coach Florence and knocks him cold—Ian knows he's got to grab Sammy and skate. Run. Their search for the one relative they can think of, their only hope, leads Ian and Sammy across the entire state of Washington in the cold and rain—and straight into a shocking discovery. Through it all, Ian knows exactly what he has to do: protect Sammy, and let no one split up their family of two. Michael Harmon tells a nuanced and unflinching story of wilderness survival, the fierce bond between brothers, and teen rage—and redemption.

**Taina** Ernesto Quiñonez 2019 When Julio, a young Puerto Rican-Ecuadorian boy in Spanish Harlem, hears that Taina, a fifteen-year-old girl from his church, is pregnant, and that both mother and daughter insist that she is a virgin, he decides to believe them. Ridiculed for his naivete, Julio begins to feel like even more of a misfit than he's always felt. His staunch yet unrequited loyalty to Taina soon unleashes a whirlpool of emotions that bring Julio to question his parents, his religion, and even the basic building blocks of modern science (who's to say Taina's baby's conception wasn't indeed a mystical, scientific miracle?) He finds himself willing to uproot everything he once believed in, and all for the sake of his fervent devotion to the young Puerto Rican girl. Yet the lengths Julio goes to to defend Taina's purity will thrust him into the girl's murky past. In the midst of it all, he meets Taina's uncle, "El Vejigante", an ex-con who claims that, in order to get closer to the immaculate Taina, Julio must provide financial support to help the future young mother. Dubious but determined, and following the ex-con's instructions, Julio gets entangled in a web of lies and stealing (dogs, for example, from Upper East Siders who will pay hefty rewards to have them returned.) He finally comes face-to-face with Taina, whose mother keeps locked inside their apartment in the projects, but not without bringing his loved ones into his chaotic love affair, and uncovering a family secret that will not leave him unscathed. Taina is a sweeping story that delivers a subtle yet poignant critique of Latino cultural norms and society, disguised within an absorbing, magical narrative.

**Cockfight** Maria Fernanda Ampuero 2020-06-23 This Ecuadorian short story collection explores domestic horrors and everyday violence, a "grotesque, unflinching" portrait of twenty-first-century Latin America (Publishers Weekly). "Ampuero's literary voice is tough and beautiful at once: her stories are exquisite and dangerous objects." —Yuri Herrera, author of *Signs Preceding the End of the World* In lucid and compelling prose, María Fernanda Ampuero sheds light on the hidden aspects of home: the grotesque realities of family, coming of age, religion, and class struggle. A family's maids witness a horrible cycle of abuse, a girl is auctioned off by a gang of criminals, and two sisters find themselves at the mercy of their spiteful brother. With violence masquerading as love, characters spend their lives trapped reenacting their past traumas. Heralding a brutal and singular new voice, *Cockfight* explores the power of the home to both create and destroy those within it.

**Dreaming in Cuban** Cristina García 2011-06-08 "Impressive . . . [Cristina García's] story is about three generations of Cuban women and their separate responses to the revolution. Her special feat is to tell it in a style as warm and gentle as the 'sustaining aromas of vanilla and almond,' as rhythmic as the music of Beny Moré."—*Time* Cristina García's acclaimed book is the haunting, bittersweet story of a family experiencing a country's revolution and the revelations that follow. The lives of Celia del Pino and her husband, daughters, and grandchildren mirror the magical realism of Cuba itself, a landscape of beauty and poverty, idealism and corruption. *Dreaming in Cuban* is "a work that possesses both the intimacy of a Chekov story and the hallucinatory magic of a novel by Gabriel García Márquez" (*The New York Times*). In celebration of the twenty-fifth anniversary of the novel's original publication, this edition features a new introduction by the author. Praise for *Dreaming in Cuban* "Remarkable . . . an intricate weaving of dramatic events with the supernatural and the cosmic . . . evocative and lush."—*San Francisco Chronicle* "Captures the pain, the distance, the frustrations and the dreams of these family dramas with a vivid, poetic prose."—*The Washington Post* "Brilliant . . . With tremendous skill, passion and humor, García just may have written the definitive story of Cuban exiles and some of those they left behind."—*The Denver Post*

**A Woman of Endurance** Dahlma Llanos-Figueroa 2022-04-12 Combining the haunting power of Toni Morrison's *Beloved* with the evocative atmosphere of Phillippa Gregory's *A Respectable Trade*, Dahlma Llanos-Figueroa's groundbreaking novel illuminates a little discussed aspect of history—the Puerto Rican Atlantic Slave Trade—witnessed through the experiences of Pola, an African captive used as a breeder to bear more slaves. *A Woman of Endurance*, set in nineteenth-century Puerto Rican plantation society, follows Pola, a deeply spiritual African woman who is captured and later sold for the purpose of breeding future slaves. The resulting babies are taken from her as soon as they are born. Pola loses the faith that has guided her and becomes embittered and defensive. The dehumanizing violence of her life almost destroys her. But this is not a novel of defeat but rather one of survival, regeneration, and reclamation of common humanity. Readers are invited to join Pola in her journey to healing. From the sadistic barbarity of her first experiences, she moves on to receive compassion and support from a revitalizing new community. Along the way, she learns to recognize and embrace the many faces of love—a mother's love, a daughter's love, a sister's love, a love of community, and the self-love that she must recover before she can offer herself to another. It is ultimately, a novel of the triumph of the human spirit even under the most brutal of conditions.

Since his best friend moved and his mother died, the only person he can talk to is a human skull he keeps hidden in a cookie jar. *Year Zero* is a comedic drama about young Cambodian Americans - about reincarnation, reinvention, and ultimately, redemption. "A tenderly observed play... These characters are cut from familiar molds, but Mr. Golamco and his appealing cast bring fresh nuances, tempering the earnestness with unassuming charm." -*New York Times* "A very smart, sweet, honest and uncommonly moving new play... Michael Golamco is a significant new dramatic voice." -*Chicago Tribune* "A delicate portrait of lost souls attempting to discover their roots and navigate awkward relationships with one another... Incisive, both dramatically and thematically, leading to a haunting and hopeful climax. Critic's Pick" -*Backstage*

**Bodega Dreams** Ernesto Quiñonez 2000 "A new and authentic voice of the urban Latino experience." --Esmeralda Santiago, author of *When I Was Puerto Rican* In a stunning narrative combining the gritty rhythms of Junot Diaz with the noir genius of Walter Mosley, *Bodega Dreams* announces the arrival of a writer who "The Village Voice has already hailed as "a Writer on the Verge." The word is out in Spanish Harlem: Willy Bodega is king. Need college tuition for your daughter? Start-up funds for your fruit stand? Bodega can help. He gives everyone a leg up, in exchange only for loyalty--and a steady income from the drugs he pushes. Lyric, inspired, and darkly funny, this powerful debut novel brilliantly evokes the trial of Chino, a smart, promising young man to whom Bodega turns for a favor. Chino is drawn to Bodega's street-smart idealism, but soon finds himself over his head, navigating an underworld of switchblade tempers, turncoat morality, and murder.

**Chango's Fire** Ernesto Quiñonez 2010-10-12 In New York City's Spanish Harlem, Julio and Maritza are each searching for a path that will give their lives meaning, even if it's shadowed by controversy. Julio is an arsonist for hire, pocketing thousands of dollars from investors eager to capitalize on more expensive real estate. But when he has reason to stop setting his neighborhood ablaze and vows to change his ways, Julio's employers threaten his life -- and the lives of those close to him. Maritza, meanwhile, has become the pastor of a progressive Pentecostal church -- the perfect cover for the scam she's running. For the right price, she'll make anyone an American citizen. With a cast of characters as colorful as the city itself, Ernesto Quiñonez brings to life a landscape we can all recognize.

**Bodega Dreams** Ernesto Quiñonez 2008-06-26 Chino, a promising young latino, finds himself drawn into the dangerous world of Willy Bodega, ruler of Spanish Harlem, and torn between his loyalties to his pregnant Pentecostal wife and the promises of the barrio ringleader.
