in the current literature. Then, we address two of these gaps by extending objectification theory to our understanding of women's substance use and/or abuse and immersed forms of SO via sexually objectifying environments. Overview of Sexual Objectification Research As shown in Figure 1, objectification theory (Fredrickson & Roberts, 1997)

Literature Review - Deakin University

Literature Review The purpose of a literature review is to look at what has been done and use that information to design new research on the 'blank spots or blind spots' - the things that might be missing or the things we don't see. Below is some extracts from an example of a very short literature review for an undergraduate assignment.

Chapter 1 HOW TO BUILD AN ECONOMIC MODEL IN YOUR ...

bit before you look at the literature. Eventually you should do a thorough literature review, of course, but I think that you will do much better if you work on your idea for a few weeks before doing a systematic literature search. There are several reasons for delay. First, you need the practice of developing a model. Even if you end up
